THE GAZETTE.

WEDNESDAY EVENING, JULY 25, 1894.

A WOMAN'S FLESH DROPS OFF.—Mrs.
William Benn, aged 70 years, of Cleve-
land, Ohio, was taken sick a few days
ago with a complication of troubles and
has since been confined to her bed.
Several days ago her body turned black
and blue in blotches and presented an
irritating and festering appearance.
The blotches enlarged and spread until
nearly every portion of her body was
covered. Now the flesh is dropping
from her body in large pieces, leaving
the bone and muscles bare.

Mrs. Leland Stanford and her attor-
neys have notified the government that
the claim of \$15,000,000 against the es-
tate of Senator Stanford has been re-
jected. This means that the demand
of the government will be paid only at
the end of a long litigation.

Small pox is raging at Mountain Grove, a
town in Wright county, Mo. Eight deaths
are reported and a large portion of the in-
habitants are sick with the disease.

THE BREATH of a chronic catarrh patient
is often so offensive that he becomes an object
of disgust. After a time ulceration sets in,
the spongy bones are attacked, and frequent-
ly destroyed. A constant source of discom-
fort is the dripping of the purulent secretions in-
to the throat, sometimes producing invertebrate
teod to give perfect satisfaction or money re-
funded. The brilliant results
by its use for years past properly designate
Ely's Cream Balm as by far the best and only cure.
Call upon your druggist for it.
